Application No. 42131

O P I N I O N

Jimmy Cavallas, doing business as Pittsburg-West Pittsburg Bus Line, requests authority to sell and Dennis Pettas, doing business as Pettas Transportation Service, requests authority to purchase certain passenger stage operative rights.

Both applicants are engaged in the operation of passenger stage service within the vicinity of the City of Pittsburg. The proposed transfer would be executed for a cash consideration of one dollar.

Applicant Cavallas alleges that he is unable to continue present operations for financial reasons; that he is unable to continue the premium payments on his liability insurance and that his present equipment is unreliable.

Applicant Pettas indicates a net worth of \$3,555.73 as of December 31, 1959. He requests that if the transfer is authorized that said operative rights be restated. He further requests that interim authority be granted pending final decision.

After consideration, the Commission is of the opinion that the proposed transfer would not be adverse to the public interest. The order will be made effective this date. A public hearing is not necessary.

Application having been filed and the Commission being informed in the premises,

IT IS ORDERED:

(3) That, coincident with such revocation, a certificate of public convenience and necessity is hereby granted to Dennis Pettas authorizing the transportation of passengers as a passenger stage corporation between the points and over the route set forth in Appendix A attached hereto and made a part hereof.
