

Decision No. 60274

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of CONSOLIDATED COPPERSTATE LINES, a California corporation, to sign promissory notes and mortgages to be repaid over a period of more than twelve (12) months.

Application No. 42219

ORDER OF DISMISSAL

On May 3, 1960, Consolidated Copperstate Lines, an interstate and intrastate carrier of property, filed this application for authorization to issue a six-year, 5% note in the principal amount of \$2,385,000 and to assume the payment of certain obligations.

The verified application, however, shows that the Interstate Commerce Commission, in an order dated March 11, 1960, approved applicant's proposed financing. It does not appear that we have jurisdiction in the premises and we will enter our order dismissing the application. A public hearing is not necessary, therefore,

IT IS HEREBY ORDERED that Application No. 42219, be, and it hereby is, dismissed for want of jurisdiction.

Dated at San Francisco, California, this 20th day of June, 1960.
