O P I N I O N

Fresno City Lines, Inc., requests authority to extend its Route No. 5 to serve a new residential area in the vicinity of Ashlan Avenue and Cedar Street.

Applicant proposes to alternate the service via the present route and the proposed extended route.

It is alleged that the proposed extension of 2.5 miles would provide service to residents of approximately 2,000 homes.

The City Attorney of the City of Fresno mailed to the Commission a copy of Resolution No. 5998, adopted May 19, 1960 by the Fresno City Council, recommending approval of the application.

After consideration, the Commission is of the opinion that public convenience and necessity require the granting of the authority sought. A public hearing is not necessary.
