ORDER VACATING SUSPENSION OF OPERATIVE RIGHTS

Decision No. 60264, dated June 14, 1960, in these proceedings, provided for the suspension of the certificate of public convenience and necessity of Charlie Snapp, dba Snapp's Auto Stage, unless prior to the effective date of that decision he shall have filed evidence of adequate liability insurance, in which event the order would be stayed. The effective date of the decision was July 4, 1960, on which date the certificate became suspended. Charlie Snapp filed the required evidence of insurance on July 21, 1960, retroactive to April 24, 1960. Inasmuch as evidence of adequate insurance is now on file, the order of suspension in Decision No. 60264, supra, will be vacated and the rights under his certificate to operate as a highway common carrier will be reinstated.

Charlie Snapp is hereby placed on notice that operations conducted without adequate evidence of insurance being on file with this Commission is a violation of General Order No. 100A. The carrier is reminded that the filing of evidence of insurance with a retroactive effective date to cover all or a portion of the period when evidence of insurance protection was not on file with the Commission does not meet the requirements of that general order.

In the event he should operate in the future without having evidence of liability insurance on file with the Commission, consideration will be given to possible penalty or other action.

Therefore, good cause appearing,

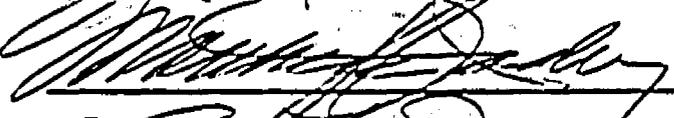

IT IS ORDERED that Decision No. 60264, dated June 14, 1960, in Applications Nos. 31984 and 34275, is hereby vacated and set aside.

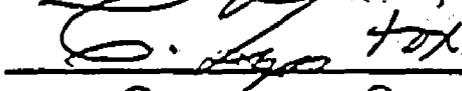

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 7th day of August, 1960.

President

Commissioners
