

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation into the rates, rules, regulations, charges, allowances and practices of all common carriers, highway carriers, and city carriers relating to the transportation of property in the City and County of San Francisco, and the Counties of Alameda, Contra Costa, Lake, Marin, Mendocino, Monterey, Napa, San Benito, San Mateo, Santa Clara, Santa Cruz, Solano and Sonoma.

Case No. 5441
Petition for Modification
No. 43

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 60479 entered today, the Commission found an additional rating of fifth class, minimum weight 36,000 pounds, reasonable for shipments of frozen pies, not baked. That decision also found that, in order to avoid duplication of tariff distribution, City Carriers' Tariff No. 1-A should be amended by a separate order.

Therefore, good cause appearing,

IT IS ORDERED that City Carriers' Tariff No. 1-A (Appendix "A" to Decision No. 41363, as amended) is hereby further amended by incorporating therein, to become effective September 23, 1960, Fifth Revised Page 6 and Third Revised Page 30, which pages are attached hereto and by this reference made a part hereof.

In all other respects, said Decision No. 41363, as amended, shall remain in full force and effect.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 2ND day of August, 1960.

President

Commissioners

INDEX OF COMMODITIES (Continued)
