sign and siding at Molino, County of
San Bernardino, State of California.)

) Application No. 42387

ORDER

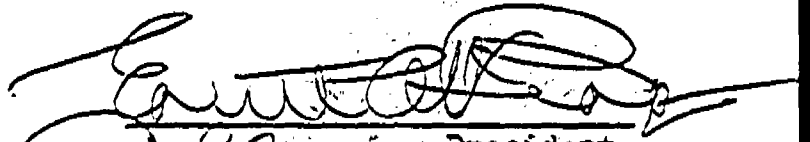

The verified application of The Atchison, Topeka and Santa Fe Railway Company filed on June 21, 1960 discloses that no passenger or freight business has been transacted at applicant's station of Molino, San Bernardino County during the past several years and that continued maintenance thereof is not necessary.

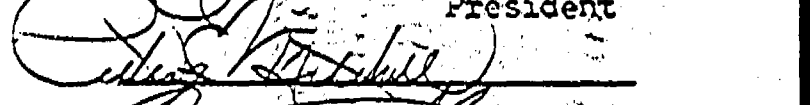

Notice of the application has been given to various parties thought to be interested and no protests have been received. A public hearing does not appear to be necessary.

It being found that public convenience and necessity no longer require the maintenance of such service, The Atchison, Topeka and Santa Fe Railway Company is authorized to abandon its non-agency station of Molino, County of San Bernardino; to remove a side track at said station; to eliminate said name from its station records; and to cancel all tariffs and time schedules applying at said station on not less than five days' notice to the Commission and the public. Such tariff changes shall quote this decision number as the requisite authority. This order shall not be construed as authorization to increase rates or charges.

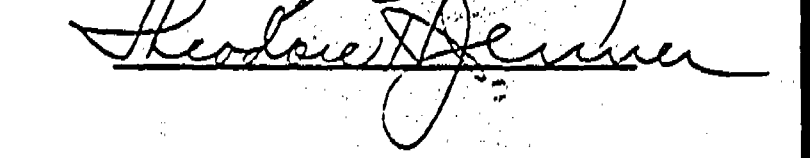

Within thirty days after abandonment and removal of the facilities as authorized herein, applicant shall so notify the Commission in writing. This authorization shall expires if not exercised within one year, unless time be extended. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 9th day of August, 1960.
