furniture and fixtures.	)	

ORDER REVOKING OPERATIVE RIGHTS

Calmay Van Lines, Inc., possesses a certificate as a highway common carrier for the transportation of used household goods and personal effects and related articles. Subsequent to the enactment of the Household Goods Carriers' Act, upon the application of this carrier, the Commission suspended the operation of its highway common carrier certificate (Decision No. 55020, dated May 21, 1957, in Applications Nos. 38454 and 38780, 55 Cal.P.U.C. 607).

By letter dated July 26, 1960, Calmay Van Lines, Inc., through its attorney, now requests that the suspension be made permanent or that its certificate of public convenience and necessity and tariffs be revoked.

In the circumstances, the certificate of public convenience and necessity will be revoked, and the tariffs canceled.

Therefore, good cause appearing,

IT IS ORDERED:

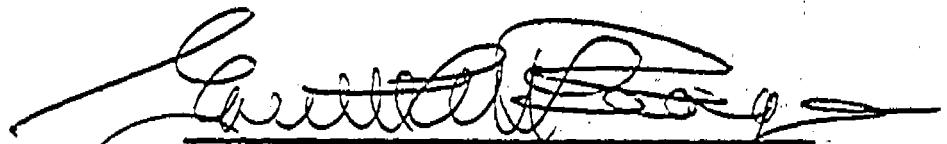

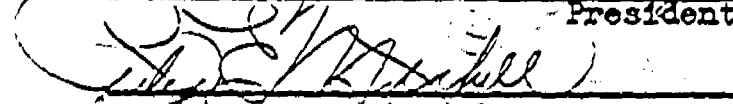

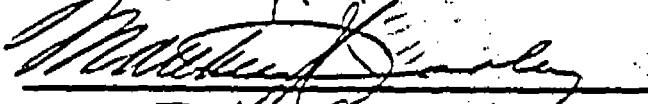

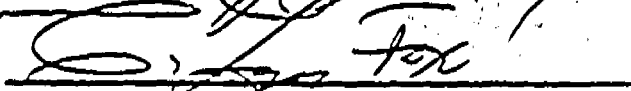

(1))That the certificate of public convenience and necessity acquired by Calmay Van Lines, Inc., by Decision No. 40898, dated November 4, 1947, in Application No. 28802, is hereby revoked.

(2) That T.A.L. Loretz, Agent, is authorized and directed to cancel the participation of Calmay Van Lines, Inc., from his tariffs on file with this Commission, for the transportation of used household goods and personal effects and related articles, said cancellation to be made within 90 days after the effective date of this order, and on not less than five days' notice to the Commission and to the public.

The Secretary is directed to cause personal service of a certified copy of this order to be made upon Calmay Van Lines, Inc., and to mail a copy of this order to T.A.L. Loretz, Agent.

The effective date of this order shall be the twentieth day after service thereof upon Calmay Van Lines, Inc., unless before such effective date there shall have been filed with this Commission a written response to this order denying the facts set forth herein, or requesting public hearing, in which event the effective date of this order shall be stayed until further order of the Commission.

Dated at San Francisco, California, this 30<sup>th</sup> day of August, 1960.
