ORDER REVOKING OPERATIVE AUTHORITY

By Decision No. 57865 under Application No. 40604, dated January 13, 1959, applicants were authorized to conduct passenger stage service between the Cities of Ventura and Oxnard on the one hand, and the Los Angeles International Airport on the other hand. No intermediate points were to be served and all passengers were to be destined to or to originate at said airport.

Correspondence received July 11, 1960 from Ventura County Limousine Service states: "We find that it is not feasible to continue this service and therefore ask for permission to terminate"... "We will take the necessary steps, of course, to see that all financial requirements will be taken care of and in doing so indicate that this is a voluntary termination on our part."

The company was contacted by the Commission staff and the staff was advised that service was discontinued effective July 1, 1960, and that the public liability and property damage insurance was cancelled as of that date, and that there was no intention of resuming operation.

Therefore, it is hereby found that Lincoln E. Cryne and Roy C. Blackwell, doing business as Ventura County Limousine Service, are no longer conducting and, in fact, abandoned passenger stage operations on July 1, 1960.

IT IS ORDERED that the passenger stage operative rights created by Decision No. 57865 and Application No. 40604 are hereby revoked and all effective tariffs and timetables on file with the Commission in the name of Ventura County Limousine Service are hereby cancelled.

The Secretary of the Commission is hereby directed to cause a certified copy of this order to be served upon Lincoln E. Cryne and Roy C. Blackwell, doing business as Ventura County Limousine Service.

The effective date of this order shall be twenty days after service thereof upon said Lincoln E. Cryne and Roy C. Blackwell unless they shall have filed with the Commission a response to this order, in writing, denying the facts set forth herein and requesting a public hearing thereon, in which event the effective date of this order will be stayed until a hearing is held and a further order is issued.

Dated at San Francisco, California, this 1st day of September, 1960.
