ORDER REVOKING OPERATIVE RIGHTS

By Decision No. 29997, dated July 28, 1937, in this proceeding, Henrik Artur Troberg was granted a permit to operate as a for-hire vessel carrier for the transportation of cereals and cereal products, hay and straw, and lumber for not more than six shippers during any one year between any and all points on the San Francisco Bay, San Pablo Bay, Suisun Bay, Sacramento River, San Joaquin River and their respective tributaries and sloughs.

Information has been received that this service was abandoned in 1943. A letter was sent by the Secretary of the Commission to Mr. Troberg on May 18, 1960, requesting information as to the approximate date of discontinuance of service. He confirmed that service was discontinued a number of years ago.

In the circumstances, it appears that the for-hire vessel service has been abandoned and the permit and tariff should be revoked and canceled.

Therefore, good cause appearing,

IT IS ORDERED:

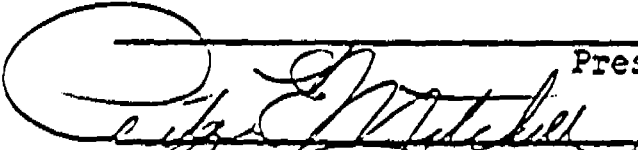

(1) That the for-hire vessel permit issued to Henrik Artur Troberg by Decision No. 29997, dated July 28, 1937, in Application No. 21292, is hereby revoked.

(2) That all tariffs issued by or on behalf of Henrik Artur Troberg are hereby canceled. A copy of this order shall be filed with said tariffs in the office of the Commission.

The Secretary is directed to cause service of a certified copy of this order to be made upon Henrik Artur Troberg.

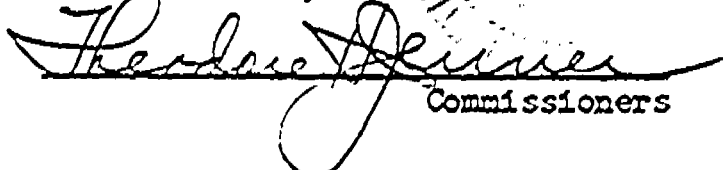

The effective date of this order shall be the thirtieth day after service upon Henrik Artur Troberg unless before such effective date there shall have been filed with this Commission a written response to this order denying the facts set forth herein, or requesting public hearing, in which event the effective date of this order shall be stayed until further order of this Commission.

Dated at San Francisco, California, this 11th day of October, 1960.
