ORDER REVOKING OPERATIVE RIGHTS

By Decision No. 29963, dated July 27, 1937, as amended by Decisions Nos. 30014 dated August 9, 1937, 30967 dated June 13, 1938, 31150 dated August 1, 1938, and 32417 dated October 3, 1939, in this proceeding, William Q. Wright and L. M. Dervin, doing business as Delta Tug Company, were granted permits to operate as a for-hire vessel carrier for the transportation of certain specified commodities for certain shippers between named points on the bays and rivers between San Francisco and Petaluma, Sacramento and Stockton.

Recent notices addressed to Delta Tug Company at their latest known address have been returned unclaimed. There have been no amendments to this carrier's for-hire vessel tariff since 1945.

In the circumstances, it appears that the for-hire vessel service has been abandoned and the permits and tariff should be revoked and canceled.

Therefore, good cause appearing,

IT IS ORDERED:

(1) That the for-hire vessel permits issued to William Q. Wright and L. M. Dervin, doing business as Delta Tug Company, by the above-named decisions in Application No. 20480 are hereby revoked.

(2) That all tariffs issued by or on behalf of Delta Tug Company are hereby canceled. A copy of this order shall be filed with said tariffs in the office of the Commission.

The Secretary is directed to mail a certified copy of this order to William Q. Wright and L. M. Dervin at their last known address as shown in the Commission records.

The effective date of this order shall be the thirtieth day after the above mailing to William Q. Wright or L. M. Dervin unless before such effective date there shall have been filed with this Commission a written response to this order denying the facts set forth herein, or requesting public hearing, in which event the effective date of this order shall be stayed until further order of this Commission.

Dated at San Francisco, California, this 17<sup>th</sup> day of October, 1960.
