Hire Vessel Act" of the State of)
California to operate a vessel for the) Application No. 21265
transportation of property for compensa-)
tion on the inland waters of the State)

ORDER REVOKING OPERATIVE RIGHTS

By Decision No. 29995, dated July 28, 1937, in this proceeding, Carl Anderson was granted a permit to operate as a for-hire vessel carrier for the transportation of cereals and cereal products, hay and straw, and lumber for not more than six shippers during any one year between any and all points on the San Francisco Bay, San Pablo Bay, Suisun Bay, Sacramento River, San Joaquin River and their respective tributaries and sloughs.

Recent notices addressed to this carrier at his latest known address have been returned unclaimed. There have been no amendments to his for-hire vessel tariffs since 1937.

In the circumstances, it appears that the for-hire vessel service has been abandoned and the permit and tariffs should be revoked and canceled.

Therefore, good cause appearing,

IT IS ORDERED:

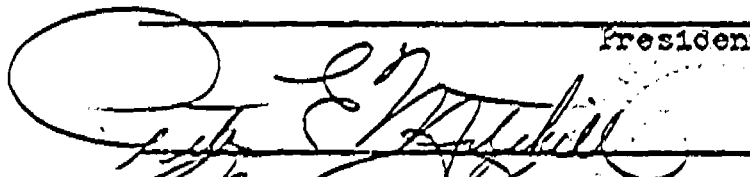

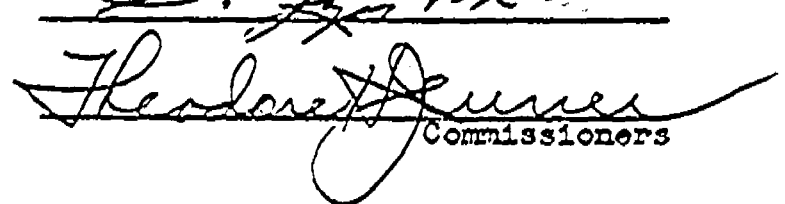

(1) That the for-hire vessel permit issued to Carl Anderson by Decision No. 29995, dated July 28, 1937, in Application No. 21265, is hereby revoked.

(2) That all tariffs issued by or on behalf of Carl Anderson are hereby canceled. A copy of this order shall be filed with said tariffs in the office of the Commission.

The Secretary is directed to mail a certified copy of this order to Carl Anderson at his last known address as shown in the Commission records.

The effective date of this order shall be the thirtieth day after the above mailing to Carl Anderson unless before such effective date there shall have been filed with this Commission a written response to this order denying the facts set forth herein, or requesting public hearing, in which event the effective date of this order shall be stayed until further order of this Commission.

Dated at San Francisco, California, this 11th day of October, 1960.
