

ORIGINALDecision No. 60923

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
 SOUTHERN CALIFORNIA EDISON COMPANY, a
 corporation, for an Order of the Public
 Utilities Commission of the State of
 California, authorizing it to carry out
 the terms and conditions of an agreement
 with the CITY OF ANAHEIM, a municipal
 corporation of the State of California,
 made and entered into on June 1, 1960.

Application No. 42555

OPINION AND ORDER

Southern California Edison Company by the above-entitled application filed August 10, 1960, requests an order of the Commission authorizing it to carry out the terms and conditions of an agreement dated June 1, 1960, with the City of Anaheim.

This agreement entitled "Agreement Relating to Territory and Service", provides that the City will purchase from applicant all electric energy and service required by the City during the term of the agreement and provides for an orderly, efficient and feasible plan whereby the City will acquire applicant's distribution facilities located within the City and thereby ultimately serve all of applicant's customers located within the City of Anaheim. A copy of this agreement marked Exhibit A is attached to the application.

Under the terms of the agreement the City is divided into certain specifically described areas and the City, in undertaking to supply electric service to customers now served by applicant, will proceed according to the sequence and timing as set forth therein.

to acquire by condemnation under the laws of the State of California applicant's electric distribution facilities used in supplying such customers.

Under the scheduling as described, transfer to the City of all of applicant's customers within the City will not be completed prior to twelve years from the effective date of the agreement, but there is no limitation as to when the transfer must be completed.

At present applicant supplies the City's electric requirements at 12 Kv at the Anaheim and Hannum Substations. Under the provisions of the contract applicant will, upon written request by the City and in accordance with applicant's applicable tariff schedules, supply electric energy and service at 66 Kv to a third point of delivery. At such time or times as said substations and/or transmission facilities appurtenant thereto and appurtenant to said third point of delivery are no longer required for service of electric energy to City, the City will acquire and pay just compensation for said facilities; provided, however, that at any time City may, at its option, so acquire either or both of said substations and/or transmission facilities which are not necessary or useful to applicant.

It is provided that the agreement will become effective upon the date authorized by the Commission and it shall continue until the first day of June, 1963 and shall continue from year to year thereafter until terminated by written notice given by either party not less than thirty days prior to the first day of June of such year.

The agreement contains the provision that it shall at all times be subject to such changes or modifications by the Public

Utilities Commission of the State of California as said Commission may from time to time direct in the exercise of its jurisdiction on matters which are subject to control or regulation of said Commission.

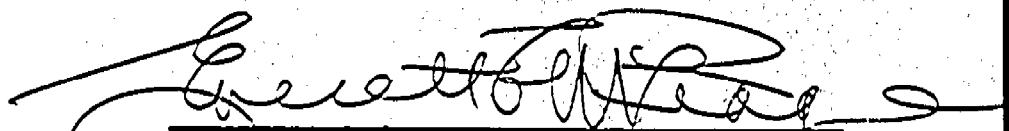

The Commission having considered the request of applicant and being of the opinion that the agreement of June 1, 1960, will not be adverse to the public interest and that the application should be granted, and being of the further opinion that a public hearing is not necessary, therefore,

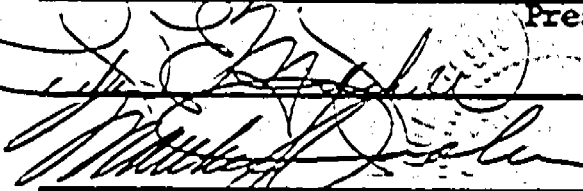

IT IS HEREBY ORDERED that applicant be and it is authorized to carry out the terms and conditions of the written contract dated June 1, 1960, with the City of Anaheim, and to render the service prescribed therein under the terms and conditions stated therein.

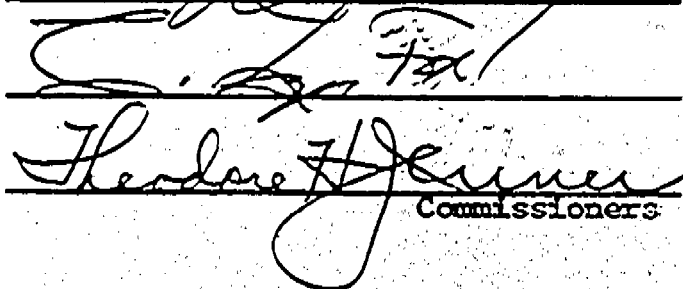

IT IS HEREBY FURTHER ORDERED that applicant shall notify this Commission of the date of termination of said contract within thirty days from and after said date of termination.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 18th day of OCTOBER, 1960.

President

Commissioners
