Application No. 42791

O P I N I O N

Den Dulk Warehouse & Feed Company, Inc., requests authority to discontinue public warehouse service in Ripon, California.

Applicant possesses a prescriptive right to operate as a public utility warehouseman in 5,000 square feet of floor space. It is alleged that during the year ending April 30, 1960, applicant received a total of $254.46 in storage revenues; that on June 1, 1960, applicant's capital stock was acquired by the Hayward Poultry Producers Association; that at the present time there is no public storage being conducted on the premises and that there are ample public warehouse facilities in the area.

After consideration, the Commission finds and concludes that public convenience and necessity no longer require applicant's public warehouse service. A public hearing does not appear to be necessary.
