OPINION, FINDINGS AND JUDGMENT

The affidavit of R. J. Pajalich and his application for an order to show cause was executed on September 20, 1960, and filed with this Commission on September 26, 1960. Attached to and made a part of this affidavit and application was the affidavit of Reginald E. Knaggs, executed on August 17, 1960.

These affidavits allege that Dyke Water Company, a corporation, Dyke Lansdale, as President of said corporation, L. D. Lansdale, as Vice President of said corporation, and Arlyne Lansdale, as Secretary-Treasurer of said corporation, and each of them, are in contempt of this Commission on six separate counts as follows:

1. They have failed and refused to comply with the terms of Decision No. 53858 issued in Applications Nos. 37097 and 37161, in that the water system of said corporation has been extended to Tract 2036 in the County of Orange, and public utility water service has been furnished in said Tract No. 2036, said tract not being within the area in which that corporation has been granted a certificate of public convenience and necessity.

2. They have failed and refused to comply with the terms of Decision No. 53858 issued in Applications Nos. 37097 and 37161, in that the water system of said corporation has been extended to Tract No. 3010 in the County of Orange, and public utility water service has been furnished in said Tract No. 3010, said tract not being within the area in which that corporation has been granted a certificate of public convenience and necessity.

3. They have failed and refused to comply with the terms of Decision No. 53858 issued in Applications Nos. 37097 and 37161, in that the water system of said corporation has been extended to

Tract No. 3043 in the County of Orange, and public utility water service has been furnished in said Tract No. 3043, said tract not being within the area in which that corporation has been granted a certificate of public convenience and necessity.

4. They have failed and refused to comply with the terms of Decision No. 53858 issued in Applications Nos. 37097 and 37161, in that the water system of said corporation has been extended to Tract No. 3165 in the County of Orange, and public utility water service has been furnished in said Tract No. 3165, said tract not being within the area in which that corporation has been granted a certificate of public convenience and necessity.

5. They have failed and refused to comply with the terms of Decision No. 53858 issued in Applications Nos. 37097 and 37161, and Decisions Nos. 52563 and 53859 issued in Case No. 5711, in that the water system of said corporation has been extended to Tract No. 2416 in the County of Orange, and public utility water service has been furnished in said Tract No. 2416, said tract not being within the area in which that corporation has been granted a certificate of public convenience and necessity. ✓

6. They have failed and refused to comply with the terms of Decision No. 53858 issued in Applications Nos. 37097 and 37161, and Decisions Nos. 54302 and 55660 issued in Case No. 5862, in that the water system of said corporation has been extended to Tract No. 2756 in the County of Orange, and public utility water service has been furnished in said Tract No. 2756, said tract not being within the area in which that corporation has been granted a certificate of public convenience and necessity.

In response to this application the Commission, on September 27, 1960, issued its order directing Dyke Water Company, Dyke Lansdale, as its President, L. D. Lansdale, as its Vice President, and Arlyne Lansdale, as its Secretary-Treasurer, to

appear on October 26, 1960, and show cause why they, and each of them, should not be adjudged to be in contempt of the Commission and punished therefor in the manner provided by law, for the six counts of alleged contempt.

The affidavits of personal service by Ronald Allen of the order to show cause and attached affidavits of R. J. Pajalich and Reginald E. Knaggs upon Dyke Water Company and upon Arlyne Lansdale have been filed in these proceedings.

On the return date, no one appeared on behalf of Dyke Water Company or Arlyne Lansdale. A public hearing was held before Examiner Wilson E. Cline in Los Angeles on October 26, 1960, at which time evidence was received from the Commission staff witnesses and the process server. At the close of the hearing the matter was taken under submission.
