Application No. 42960

O R D E R

City of Santa Ana is authorized to construct Segerstrom Avenue at grade across a drill track of Pacific Electric Railway Company in the City of Santa Ana, Orange County, at the location described in the application to be identified as Crossing No. 6N-39.21-C. Applicant shall bear entire construction expense, also maintenance cost outside of lines two feet outside of rails. Pacific Electric Railway Company shall bear maintenance cost between such lines. Width of crossing shall be not less than 28 feet and grades of approach not greater than two percent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B), with reflex reflecting sheet material.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience,

necessity, or safety so require. Applicant requests waiver of the twenty-day waiting period in order to provide for the handling of drainage requirements before the coming rainy season.

The effective date of this order shall therefore be the date hereof.

Dated at San Francisco, California, this 3rd day of FEBRUARY, 1961.
