ORDER VACATING SUSPENSION OF OPERATIVE RIGHTS

Decision No. 61047, dated November 15, 1960, in this proceeding, provided for the suspension of the certificate of public convenience and necessity of Gwendolyn A. Morasca, Executrix of the Estate of Louis A. Morasca, doing business as L. A. Morasca Trucking Service, unless prior to the effective date of that decision she shall have filed evidence of adequate liability insurance, in which event the order would be stayed. Gwendolyn A. Morasca, Executrix of the Estate of Louis A. Morasca, filed the required evidence of insurance on December 2, 1960, retroactive to September 1, 1960, staying the Commission's order. Inasmuch as evidence of adequate insurance is now on file, the order of suspension in Decision No. 61047, supra, will be vacated to clear the Commission's file.

Gwendolyn A. Morasca, Executrix of the Estate of Louis A. Morasca, is hereby placed on notice that operations conducted without adequate evidence of insurance on file with this Commission is a violation of General Order No. 100A. The carrier is reminded that the filing of evidence of insurance with a retroactive effective date to cover the period when evidence of insurance protection was not on file with the Commission does not meet the requirements of

that general order. In the event she should operate in the future without having evidence of liability insurance on file with the Commission, consideration will be given to possible penalty or other action.

Therefore, good cause appearing,

IT IS ORDERED that Decision No. 61047, dated November 15, 1960, in Application No. 35939, is hereby vacated and set aside.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 7th day of March, 1961.
