BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Investigation on the Commission's
own motion into warehouse operative
rights of Dean M. Hogue, doing
business as DEAN'S TRANSFER &
STORAGE.

Case No. 6960

Dean M. Hogue, in propria persona, respondent.

Elinore Charles, for the Commission staff.

O P I N I O N

The Commission instituted the present investigation on September 13, 1960. Its purpose is to determine whether or not respondent has acquired a prescriptive right as a warehouseman by reason of operations conducted in good faith on September 1, 1959 under tariffs and schedules of respondent lawfully on file with the Commission. Respondent has filed a written response to the order alleging that he was, in fact, operating certain floor space as a public utility warehouseman in good faith on said date under tariffs and schedules lawfully on file with the Commission.

A public hearing was held before Examiner John Power at San Francisco on December 15, 1960. Respondent testified that he was actively soliciting business both in the Salinas and Santa Maria areas in the Summer of 1959. He has obtained accounts since then. He advertised in the classified sections of the telephone directories as a warehouseman.

The matter having been submitted, the Commission finds that respondent was, on September 1, 1959 operating as a public warehouseman the space at the locations set forth in Appendix A attached

to the following order. The Commission further finds that such space at such locations was operated in good faith under tariffs lawfully on file with the Commission.
