

Decision No. _____

61673

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)
 HENRY L. RUBIDOUX for a certificate)
 of public convenience and necessity)
 to operate a bus service between)
 Dunsmuir and Mt. Shasta, California,)
 and Panther Meadows, California.)

Application No. 38271

ORDER SUSPENDING OPERATING RIGHTS

Henry L. Rubidoux possesses a Certificate of Public Convenience and Necessity to operate passenger stage service for the transportation of passengers, baggage and express shipments not exceeding 100 lbs. in weight between Dunsmuir and Mt. Shasta, on the one hand, and Panther Meadows, on the other hand, and intermediate points. The principal traffic handled is passengers traveling to the Mt. Shasta winter sports at Panther Meadows.

The Commission has received a notice of cancellation of insurance issued to Henry L. Rubidoux, to become effective March 16, 1961.

By letter dated February 16, 1961 from the Secretary of the Commission, Mr. Rubidoux was placed on notice that his passenger stage operative rights would be subject to suspension or revocation unless acceptable evidence of liability protection required by General Order 101-A was filed with the Commission on or before March 16, 1961.

By letter dated February 14, 1961, Mr. Rubidoux asked that his Certificate of Public Convenience and Necessity be suspended for one year because of poor patronage. He alleges that a new dormitory will be constructed at the Ski Bowl at Panther Meadows within the next year and that this added attraction should generate some passenger traffic.

The required evidence of liability protection not being on file, and considering the request of Mr. Rubidoux,

IT IS ORDERED:

- (1) That the Certificate of Public Convenience and Necessity to operate as a passenger stage corporation granted to Henry L. Rubidoux in Decision No.54202 dated December 4, 1956 in Application No. 38271 is hereby suspended until March 16, 1962.
- (2) That applicant shall immediately amend his tariff and timetable on file with this Commission to reflect the authority herein granted.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 14th day of MARCH 1, 1961.
