tions of Minimum Rate Tariff No. 2) Application No. 42847
under the provisions of the Highway)

SUPPLEMENTAL OPINION AND ORDER

Decision No. 61276, dated December 28, 1960, in this proceeding, authorized Dart Transportation Service to charge less than the minimum rates otherwise applicable for the transportation of property for Sears, Roebuck and Co.

The shipper has advised the Commission by letter that a typographical error was made by the applicant on First Revised Page 3 of Appendix A of its application by stating the 10,000-pound rate from Los Angeles to Visalia as \$1.87 instead of 87 cents. The error was incorporated inadvertently in Appendix "A" to Decision No. 61276. The necessary correction will be made.

Therefore, good cause appearing,

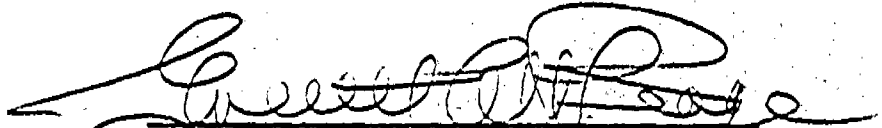

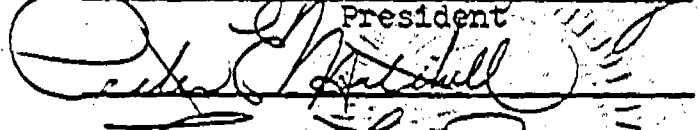

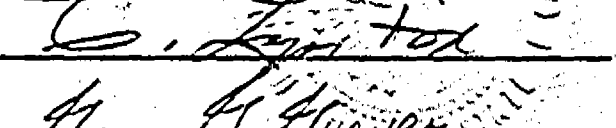

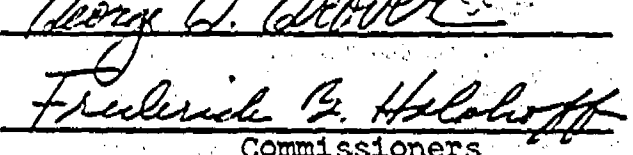

IT IS ORDERED that the rate of 187 cents per 100 pounds, minimum weight 10,000 pounds, applying from Los Angeles to Visalia, set forth on Page 2 of Appendix "A" to Decision No. 61276, dated December 28, 1960, in Application No. 42847, shall be changed to read 87 cents.

In all other respects, Decision No. 61276 shall remain

in full force and effect.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 28th day
of March, 1961.
