Application No. 35554

ORDER VACATING SUSPENSION OF OPERATIVE RIGHTS

Decision No. 61676, dated March 14, 1961, in this proceeding, provided for the suspension of the certificate of public convenience and necessity of San Leandro Freight Lines, a corporation, unless prior to the effective date of that decision it shall have filed evidence of adequate liability insurance, in which event the order would be stayed.<sup>1</sup> The effective date of the decision was March 22, 1961, on which date the certificate became suspended. San Leandro Freight Lines filed the required evidence of insurance on March 22, 1961, retroactive to March 14, 1961. Inasmuch as evidence of adequate insurance is now on file, the order of suspension in Decision No. 61676, supra, will be vacated and the rights under its certificate to operate as a highway common carrier will be reinstated.

San Leandro Freight Lines is hereby placed on notice that operations conducted without adequate evidence of insurance being on file with this Commission is a violation of General Order No. 100A. The carrier is reminded that the filing of evidence of insurance with a retroactive effective date to cover all or a portion of the

period when evidence of insurance protection was not on file with the Commission does not meet the requirements of that general order. In the event it should operate in the future without having evidence of liability insurance on file with the Commission, consideration will be given to possible penalty or other action.

Therefore, good cause appearing,

IT IS ORDERED that Decision No. 61676, dated March 14, 1961, in Application No. 35554, is hereby vacated and set aside.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 15th day of April, 1961.
