OPINION AND ORDER

By Decision No. 60094, dated May 9, 1960, as modified by Decision No. 61343, dated January 17, 1961, in Applications Nos. 42100 and 42129, applicant was authorized to assess rates lower than the established minimum rates in connection with certain transportation within San Francisco. The authority permits applicant to assess a rate of 18 cents per 100 pounds for the transportation of flour for Langendorf United Bakeries, Inc. It also authorizes a rate of 9 cents per 100 pounds for the transportation of newsprint paper for Hearst Publications, Inc., and the San Francisco Chronicle. The current authority is scheduled to expire May 30, 1961.

By this application, filed March 24, 1961, applicant seeks to continue the authority for a further one-year period. Applicant alleges that there has been no change in the circumstances requiring special rates for the transportation of these commodities, and that the volume of traffic involved is above the minimum requirements applicable to the outstanding authority. It further alleges that the currently authorized rates have been and are now compensatory.

The application shows that a copy thereof was furnished to the Draymen's Association of San Francisco and that said association has authorized applicant to state that it supports the granting of the application.

In the circumstances, it appears, and the Commission finds, that the proposed rates are reasonable and consistent with the public interest. A public hearing is not necessary. The application will be granted.

Therefore, good cause appearing,

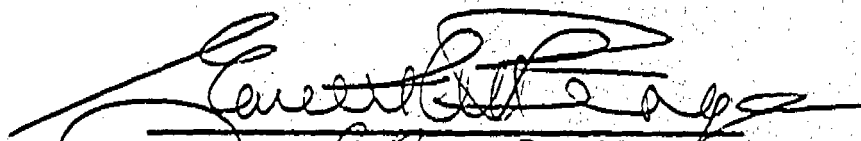

IT IS ORDERED:

(1) That Walkup Drayage and Warehouse Company is hereby authorized to depart from the provisions of the minimum rate orders otherwise applicable to the transportation it performs for Langendorf United Bakeries, Inc., Hearst Publications, Inc., and the San Francisco Chronicle to the extent specifically provided in Appendix "A" which is attached hereto and by this reference made a part hereof.

(2) That the authority herein granted shall, on and after May 30, 1961, supersede the authority granted by Decisions Nos. 60094 and 61343, and shall expire with May 30, 1962.

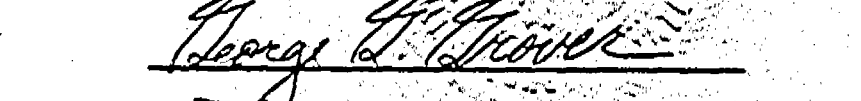

This order shall become effective twenty days after the date hereof.

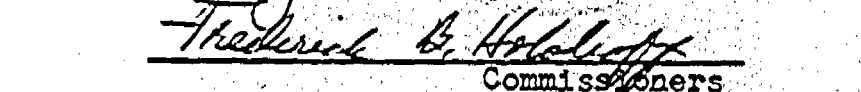

Dated at San Francisco, California, this 25th day of April, 1961.
