Decision No. _____

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the application of
 the CITY OF SOUTH SAN FRANCISCO for
 permission to construct Littlefield
 Avenue between East Grand Avenue and
 Utah Avenue, at grade across the
 tracks of the Southern Pacific
 Company.

Application No. 43297

O R D E R

The City of South San Francisco is authorized to construct Littlefield Avenue at grade across a track of Southern Pacific Company in South San Francisco, San Mateo County, at the location described in the application to be identified as Crossing No. E-10.46-C. Applicant shall bear entire construction expense, also maintenance cost outside of lines two feet outside of rails. Southern Pacific Company shall bear maintenance cost between such lines. Width of crossing shall be not less than sixty feet and grades of approach not greater than one percent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B) reflectorized with reflex-reflecting material.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant has scheduled construction of the crossing to be initiated as soon as possible and has requested that authorization, if granted, be made effective immediately; therefore, the effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 18th day of July, 1961.
