Decision No. 62543

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
JOHANSEN'S SUPERIOR TRUCK COMPANY,
a corporation, for a certificate of
public convenience and necessity to
extend highway common carrier service.

Application
No. 43060

ORDER AMENDING DECISION NO. 62285
AND
DENYING REHEARING

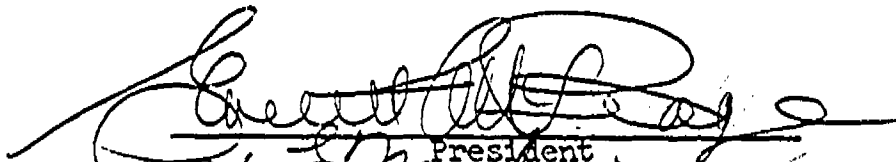

California Motor Transport Co., Ltd. and California Motor Express, Ltd.; Delta Lines, Inc.; Di Salvo Trucking Co.; Fortier Transportation Co.; Interlines Motor Express; Merchants Express of California; Oregon-Nevada-California Fast Freight and Southern California Freight Lines; Pacific Motor Trucking Company; Shippers Express; Sterling Transit Co., Inc.; Valley Express Co. and Valley Motor Lines, Inc., and Willig Freight Lines, having petitioned for rehearing of Decision No. 62285, the Commission having considered said petition, and good cause appearing,

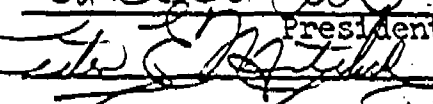

IT IS ORDERED that Decision No. 62285 is hereby amended by striking the last sentence of the first full paragraph of page 4 and substituting the following therefor:

"The record further supports the conclusion that while initially the service to be provided under the authority sought will be on behalf of the existing customers and their expanding businesses, applicant will, with receipt of the proposed enlargement of its certificate, hold itself out to the general public to perform a highway common carrier service in that portion of its presently limited certificated area where it now serves as a permit carrier. The issuance of an enlarged certificate will not bring a new carrier into the field, and in this sense there will be no direct interference with the operations of the protestants."

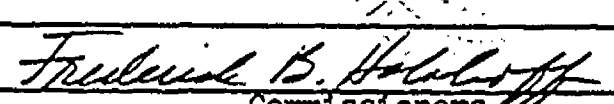

IT IS FURTHER ORDERED that rehearing of said decision, as amended, is hereby denied.

Dated at San Francisco, California, this 12th day of SEPTEMBER, 1961.
