ORDER VACATING ORDER OF SUSPENSION OF OPERATIVE RIGHTS

Decision No. 62502, dated August 29, 1961, in this proceeding provided for the suspension of the certificate of public convenience and necessity of California Freightways unless, prior to the effective date of that decision, it shall have filed with this Commission a proper and lawful freight classification as required by Sections 486 and 493 of the Public Utilities Code, in which event the effective date of the order would be stayed.

On October 5, 1961, Western Classification Committee, Agent, filed Supplement 25-E to its Western Classification 77 reinstating California Freightways as a participant in said classification effective November 10, 1961. Inasmuch as the required classification is now on file, Decision No. 62502, supra, will be vacated concurrently with the date upon which participation in said classification by California Freightways becomes effective.
