BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)	
SOUTHERN PACIFIC COMPANY for an order)	
authorizing the construction at grade)	Application No. 43865
of a track across Reyes Avenue, at)	
Reyes, County of Los Angeles, State)	
of California.)	

O R D E R

Southern Pacific Company is authorized to construct an additional drill track at grade across Reyes Avenue in Los Angeles County, at the location described in the application, to be identified as a portion of Crossing No. BG-496.4-C.

Applicant shall bear entire construction and maintenance expense.

Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two percent. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B), with reflex reflecting sheet material.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant declares that the industry to be served is expecting large shipments of freight in the near future. It accordingly requests waiver of the twenty-day waiting period.

The effective date of this order shall therefore be the date hereof.

Dated at San Francisco, California, this 29th day of NOVEMBER, 1961.
