

ORIGINALDecision No. 62245

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of EASTON ESTATES WATER COMPANY, a California corporation, for a certificate of public convenience and necessity to operate a public utilities water system and to establish rates for water service in an unincorporated area in Fresno County, California, described below, under Section 1001, et. seq. of the Public Utilities Code of the State of California, and for a permit to issue capital stock of applicant corporation.

Application No. 43171

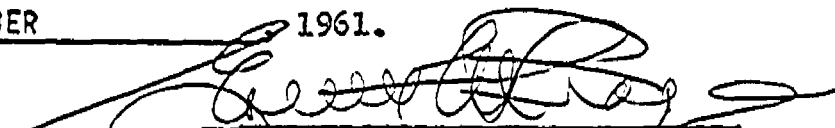

SUPPLEMENTAL ORDER

Decision No. 62152 provided, in Ordering Paragraph No. 2 thereof, that the certificate of public convenience and necessity granted should not be effective until applicant, in a manner acceptable to the Commission, should provide for the reasonable continuation of an adequate supply of water in case of failure of the proposed source for serving the area certificated.

It appearing that this condition has been met by applicant,

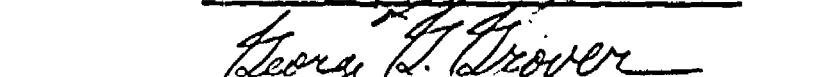

IT IS ORDERED that the certificate of public convenience and necessity granted by Decision No. 62152 is effective the date hereof.

Dated at San Francisco, California, this 19th day of DECEMBER 1961.
