Application No. 43956
(Filed November 24, 1961)

OPINION AND ORDER

Applicants hold radial highway common carrier or highway contract carrier permits. By this application, they seek exemption from the provisions of General Order No. 84C, under which carriers may not handle C.O.D. shipments until a bond of not less than \$2,000 is provided and filed with the Commission. The sought exemptions would apply only in connection with shipments transported for the shipper hereinafter designated. The application is accompanied by a letter from the shipper stating the bonding of applicants is not necessary in connection with its C.O.D. consignments.

Since the protection of the bonding provisions has been voluntarily waived by the shipper involved in this application, the Commission finds that the sought exemptions are justified. A public hearing is not necessary.

Attention is called to the fact that the exemptions herein granted extend only to shipments transported for the specified shipper. Should applicants desire to handle C.O.D. shipments for anyone else, all outstanding requirements must be met.

Because the conditions under which the C.O.D. service in question is performed may change, the exemptions will be limited to a one-year period.

Good cause appearing,

IT IS ORDERED that John Bothof, James Buie, Roy Castro, Henry Chavarria, Benjamin Chavez, Carlos Diaz, Adloph O. Esquerra, Joe G. Fernandez, Kenneth E. Hill, Willard J. Latham, Ernest McReynolds, Victor R. Meraz, John M. Mitchell, George Nunez, Harvey Postma, Richard Robles, Tony Rueda, Harry Santoyo, Jessie Vasquez, Frayland Zamora and Luciano B. Zamora are hereby authorized to handle C.O.D. shipments for Bandini Fertilizer Company without providing and filing the bonds required by General Order No. 84C; that this authority shall expire one year after the effective date of this order, unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the rules and regulations set forth in General Order No. 84C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California this 9th day of

January, 1962.
