Decision No. 63166

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the Application of)
Aristeo D. Vargas for exemption from) Application No. 44065
the provision of General Order 84C) (Filed December 29, 1961)
regarding C.O.D. Bond.)

OPINION AND ORDER

Applicant holds a highway contract carrier permit. By this application, he seeks exemption from the provisions of General Order No. 84C, under which carriers may not handle C.O.D. shipments until a bond of not less than \$2,000 is provided and filed with the Commission. The sought exemption would apply only in connection with shipments transported for the shipper hereinafter designated. The application is accompanied by a letter from the shipper stating the bonding of applicant is not necessary in connection with its C.O.D. consignments.

Since the protection of the bonding provisions has been voluntarily waived by the shipper involved in this application, the Commission finds that the sought exemption is justified. A public hearing is not necessary.

Attention is called to the fact that the exemption herein granted extends only to shipments transported for the specified shipper. Should applicant desire to handle C.O.D. shipments for anyone else, all outstanding requirements must be met.

Because the conditions under which the C.O.D. service in question is performed may change, the exemption will be limited to a one-year period.

Good cause appearing,

IT IS ORDERED that Aristeo D. Vargas is hereby authorized to handle C.O.D. shipments for Downey Fertilizer Company without providing and filing the bond required by General Order No. 84C; that this authority shall expire one year after the effective date of this order, unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the rules and regulations set forth in General Order No. 84C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 23rd day of January, 1962.
