BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)	Application No. 44008
Ralph Tresca and Wayne A. Gregson for)	(Filed December 11, 1961)
exemption from the provisions of)	
General Order #84-C regarding C.O.D.)	
Bond.)	

OPINION AND ORDER

Applicants hold a city carrier permit. By this application, they seek exemption from the provisions of General Order No. 84C, under which carriers may not handle C.O.D. shipments until a bond of not less than \$2,000 is provided and filed with the Commission. The sought exemption would apply only in connection with shipments transported for the shippers hereinafter designated. The application is accompanied by letters from the shippers stating the bonding of applicants is not necessary in connection with their C.O.D. consignments.

Since the protection of the bonding provisions has been voluntarily waived by the shippers involved in this application, the Commission finds that the sought exemption is justified. A public hearing is not necessary.

Attention is called to the fact that the exemption herein granted extends only to shipments transported for the specified shippers. Should applicants desire to handle C.O.D. shipments for anyone else, all outstanding requirements must be met.

Because the conditions under which the C.O.D. service in question is performed may change, the exemption will be limited to a one-year period.

Good cause appearing,

IT IS ORDERED:

(1) That Ralph Tresca and Wayne A. Gregson are hereby authorized to handle C.O.D. shipments for Apollo Pharmacy, Central Pharmacy, Eale's Pharmacy, Franklin Pharmacy, Goman's Pharmacy, Pierson's Pharmacy, St. Luke's Pharmacy, Striker's Pharmacy, Tower Drug Store and Zarrett's Pharmacy without providing and filing the bond required by General Order No. 84C; that this authority shall expire one year after the effective date of this order unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the rules and regulations set forth in General Order No. 84C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 6th day of February, 1962.
