ORDER REVOKING DECISIONS

By petition filed January 23, 1962, Consolidated Freightways Corporation of Delaware requests that Decisions Nos. 63055, 63056, 63057 and 63058 dated January 9, 1962, in these proceedings, be canceled. These decisions amended the carrier's certificates by excluding the transportation of commodities requiring temperature control service when subject to the application of temperature control charges. This amendment was made pursuant to a letter from the carrier dated October 24, 1961, stating that it had no objection to the Commission amending its certificates to exclude such transportation. The carrier states in the petition that it has since

A. 36502, et al. - ac

determined that certain of its customers desire temperature control service be continued and that it desires to provide such service. Charges for such service are contained in applicant's tariffs.

Good cause appearing,

IT IS ORDERED that Decisions Nos. 63055, 63056, 63057 and 63058 dated January 9, 1962, are hereby revoked.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 26th day of February, 1962.
