Application No. 44067

O R D E R

State of California, Department of Public Works, is hereby authorized to construct State Route 158 (San Diego Freeway) at separated grades over Southern Pacific Company's Burbank Branch and Coast Route in the City of Los Angeles, Los Angeles County, at the locations described and in the manner as shown in the application, to be identified as Crossings Nos. BY-456.8-A (West Van Nuys Overhead) and E-453.5-A (Raymer Overhead).

Clearances shall be in conformance with the provisions of General Order No. 26-D except that during the period of construction applicant is authorized to create impaired clearances of 21 feet above top of rail at the West Van Nuys Overhead and Southern Pacific Company is authorized to operate with such temporary impaired clearance condition provided it issue appropriate bulletins to train and engine crews advising them of the impaired clearance and forbidding them to ride on the tops of cars while operating beneath the structure.

Construction and maintenance costs shall be borne in accordance with an agreement entered into between the parties and a copy of said executed agreement, together with plans of the separation structures approved by the railroad, shall be filed with the Commission prior to commencement of construction.

Within thirty days after completion, pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within two years, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 10th day of MARCH, 1962.
