Case No. 7097

ORDER REVISING ORDERING PARAGRAPH 1 OF
DECISION NO. 63543

On April 10, 1962, the Commission issued its Decision No. 63543 in the above-entitled proceeding, directing, among other things, that certain rates be made effective for service rendered on and after May 1, 1962. The date of May 1, 1962 does not provide sufficient time within which to prepare and file the required tariff revisions. Accordingly, good cause appearing,

IT IS ORDERED that ordering paragraph 1 of Decision No. 63543 be and it is revised to read:

"1. Pacific Water Co. is directed to file in quadruplicate with this Commission, within twenty days after the effective date of this order, in conformity with General Order No. 96A, the schedules of rates set forth in Appendix A attached hereto; and upon not less

than five days' notice to the Commission and to the public, to make said rates effective for service rendered on and after June 1, 1962."

In all other respects Decision No. 63543 shall remain in full force and effect.

Dated at San Francisco, California, this 17th day of April, 1962.
