

ORIGINALDecision No. 63666

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of THE GREYHOUND CORPORATION)
 for authority to reroute urban routes in) Application No. 44297
 the City of Santa Ana, Orange County. }

OPINION AND ORDER

The Greyhound Corporation requests authority to reroute urban routes in the City of Santa Ana for the purpose of using applicant's new agency facility located at Second and Sycamore Streets, which will be opened and ready for operation on or about April 1, 1962.

Finding that public convenience and necessity require that the requested relief be granted,

IT IS ORDERED that:

1. A certificate of public convenience and necessity is hereby granted to The Greyhound Corporation, authorizing the establishment and operation of service as a passenger stage corporation, as that term is defined in Section 226 of the Public Utilities Code, for the transportation of passengers, baggage and express between the points and over the routes set forth in First Revised Page 85, attached hereto, as an extension and enlargement of, consolidation with and subject to all the limitations and restrictions set forth in the certificate granted by Decision No. 55893 and in particular subject to the provisions set forth in Section 3 of Appendix A thereof.

2. Appendix A of Decision No. 55893 is hereby amended by incorporating First Revised Page 85 in revision of Original Page 85.

3. In providing service pursuant to the certificate herein granted, applicant shall comply with and observe the following service regulations:

- (a) Within thirty days after the effective date hereof, applicant shall file a written acceptance of the certificate herein granted.
- (b) Within one hundred twenty days after the effective date hereof, applicant shall establish the service herein authorized and file in the Commission's office in triplicate tariffs and timetables satisfactory to the Commission, which tariff and timetable filings shall be made effective concurrently with the establishment of the service and on not less than thirty days' notice to the Commission and the public. The tariff and timetable filings made pursuant to this order shall comply with the regulations governing the construction and filing of tariffs and timetables set forth in the Commission's General Orders Nos. 79 and 98.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 13th day of MAY, 1962.
