Decision No. 63689

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of GEORGE C. OERTLY and JOHN W. OERTLY, dba OERTLY BROS. TRUCKING CO., for an extension of their present certificate of public convenience and necessity to operate an automobile truck service as a highway common carrier for the transportation of certain commodities between points in Southern California, and for authority to transport general commodities, with certain exceptions, from points in Orange County, to Bakersfield and Salinas and points north thereof, on the other hand.

Application No. 41954

O P I N I O N

George C. Oertly and John W. Oertly, doing business as Oertly Bros. Trucking Co., and presently rendering service as a highway common carrier for the transportation of general and limited commodities between various points within the State request that the City of San Jose be excluded from their certificated authority on southbound movements.

Applicants are presently authorized to transport canned goods; containers; groceries and grocers' supplies; synthetic resin articles; cans, cups, or tubs, paper or pulpboard; fresh fruit; resin and fresh vegetables between Santa Ana, on the one hand, and all points in the Los Angeles, San Diego, and the San Francisco Territories including Fresno, Modesto and the Sacramento area, on the other hand; and between all points in the Los Angeles Territory, on the one hand, and all points in the San Francisco Territory, on the other hand. They are also authorized to transport general commodities
