ORDER VACATING ORDER OF SUSPENSION OF OPERATIVE RIGHTS

Decision No. 63409 dated March 13, 1962, in this proceeding, provided for the suspension of the certificate of public convenience and necessity of R. H. Morrison unless he shall have filed with this Commission prior to the effective date of that decision the proper and lawful freight tariff as required by Sections 486 and 493 of the Public Utilities Code in which event the effective date of this order would be stayed.
