 a California corporation,
 Complainant,

vs.

CREST WATER COMPANY,
 a California corporation,
 Defendant.

Case No. 7053

ORDER DISMISSING PETITION FOR REHEARING
AND FIXING EFFECTIVE DATE

Decision No. 62771 awarded reparation and directed extension of service to specified tracts. Defendant sought rehearing, and by order of November 22, 1961 the effective date of the decision was stayed pending further order. Thereafter, in another proceeding, defendant was authorized to issue preferred stock, in part to satisfy the reparations award. (Decision 63198, Application 44105.)

Complainant and defendant have joined in filing a satisfaction of the reparations award, certain shares of preferred stock having been delivered to complainant, and defendant requests dismissal of the petition for rehearing.

IT IS ORDERED that defendant's petition for rehearing is dismissed, and that the effective date of Decision No. 62771 shall be the date hereof.

Dated at San Francisco, California, this 10th day of July, 1962.
