vised "Exclusive Use of Carrier's

Application No. 44095

ORDER OF DISMISSAL

These applications seek authority to establish special charges for the exclusive use of vehicles. The relief sought is substantially the same as that requested in Application No. 43473 (R. C. Ellis) which was denied by Decision No. 63234 dated February 6, 1962. Following issuance of that decision, applicants requested that their applications be held in abeyance temporarily. They were informed that unless they were prepared to proceed by May 25, 1962 the applications would be subject to dismissal. Applicants have not informed the Commission that they are prepared to prosecute their respective applications; therefore, good cause appearing,

IT IS ORDERED that the above-entitled applications are dismissed.

Dated at San Francisco, California, this 10th day of July, 1962.
