for authority to deviate from minimum) Application No. 43837
rates, pursuant to Section 4015 of the)
Public Utilities Code.)

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 62764 dated November 7, 1961, in this proceeding, applicant was authorized to depart from the provisions of Minimum Rate Tariff No. 5 for the services of unloading property tendered in pool cars for Burlington Industries, Inc., of Los Angeles when the services are performed at applicant's depot at 771 Towne Avenue, Los Angeles. The authority is scheduled to expire with December 14, 1962.

By Petition for Modification filed on May 31, 1962, applicant seeks to have Decision No. 62764 amended to substitute its new terminal at 2167 East 25th Street, Los Angeles; to which applicant has recently moved. Applicant asserts that no greater costs will be involved in the distribution of the shipments for Burlington Industries, Inc., from its new terminal than were involved from its former terminal.

In the circumstances, it appears that Decision No. 62764, supra, should be amended. A public hearing is not necessary.

Good cause appearing,

IT IS ORDERED that Decision No. 62764 dated November 7, 1961, in Application No. 43837, is hereby amended by substituting "2167 East 25th Street, Los Angeles" for "771 Towne Avenue, Los Angeles" in Ordering Paragraph (1)(a) thereof.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 17th day of July, 1962.
