Decision No. 64005

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)
Dale P. Coleman, doing business as)
Dale's Dependable Delivery, for) Application No. 44537
exemption from the provisions of) (Filed June 12, 1962)
General Order No. 84-C relative to)
a C.O.D. Bond.)

OPINION AND ORDER

Applicant holds radial highway common carrier and city carrier permits. By this application, he seeks an exemption from the provisions of General Order No. 84-C, under which carriers may not handle C.O.D. shipments until a bond of not less than \$2,000 is provided and filed with the Commission. The sought exemption would apply only in connection with shipments transported for the shipper hereinafter designated. The application is accompanied by a letter from the shipper stating, in effect, that it does not require the protection of a surety bond from Dale P. Coleman.

Since the protection of the bonding provisions has been voluntarily waived by the shipper involved in this application, the Commission finds that the sought exemption is justified. A public hearing is not necessary.

Attention is called to the fact that the exemption herein granted extends only to shipments transported for the specified shipper. Should applicant desire to handle C.O.D. shipments for anyone else all outstanding requirements must be met.

Because the conditions under which the C.O.D. service in question is performed may change, the exemption will be limited to a one-year period.

Good cause appearing,

IT IS ORDERED that Dale P. Coleman, doing business as Dale's Dependable Delivery, is hereby authorized to handle C.O.D. shipments for The West Bend Company without providing and filing the bond required by General Order No. 84-C; that this authority shall expire one year after the effective date of this order unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the rules and regulations set forth in General Order No. 84-C shall govern C.O.D. services involved in this proceeding.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 24th day of July, 1962.
