Sacramento, State of California.)

Application No. 44477

ORDER

Sacramento Northern Railway is hereby authorized to construct an additional spur track at grade across Front Street in the City of Sacramento, Sacramento County, at the location described in the application, to be identified as a portion of Crossing No. 4-139.46-C. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding one percent. Protection shall be by two existing Standard No. 1 crossing signs (General Order No. 75-B). Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not

complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.
