HIGH SCHOOL line and its Route "38")
- HALE JUNIOR HIGH SCHOOL line.)

Application No. 44516

O P I N I O N

Applicant requests authority to discontinue operation of its Route "32" - Montgomery Junior High School line and its Route "38" - Hale Junior High School line.

As justification for the proposed discontinuance of school service applicant alleges:

That the discontinuance of Route "32" is occasioned by the fact that students from the Mission Village and Cabrillo Heights areas now attend Taft Junior High School, which is located at the intersection of Mission Village Drive and Ruffin Road, on applicant's regular Route "H"; that Taft Junior High School opened in September, 1961, but service on Route "32" was continued during the current school year for the use of ninth grade students who were permitted to finish their junior high school work at Montgomery Junior High School; that with the opening of the school year in September, 1962, no junior high students from this area will be attending Montgomery Junior High School, hence the service will no longer be needed.

That the discontinuance of Route "38" is occasioned by the fact that a new Einstein Junior High School is being con-

structed, and is expected to open in September, 1962, at the intersection of Conrad Avenue and Longford Street; that the consequent redistricting in this area will result in all students who attend Hale Junior High School being within walking distance of the school, hence this service will no longer be needed.

Service on Route "38" will continue until the actual opening of Einstein Junior High School.

Applicant also requests, in order that Appendix A to Decision No. 55090 be kept current, that it be authorized to cancel Second Revised Page 45 and First Revised Page 51 of said Appendix A, and that it be further authorized to issue Fourth Revised Page 3 of said Appendix A, in cancellation of Third Revised Page 3.

The San Diego Unified School District has advised the Commission that it has no objection to the proposed discontinuance of service.

The Commission finds that public convenience and necessity no longer require the passenger stage services hereinabove mentioned; therefore, the application will be granted. A hearing is not necessary.

O R D E R

Application having been made, the Commission having found that public convenience and necessity no longer require the operation of Route "32" and Route "38", and good cause appearing,

IT IS ORDERED that:

1. San Diego Transit System, a corporation, may discontinue its Route "32" - Montgomery Junior High School line and

Route "38" - Hale Junior High School line effective concurrently with the effective date of the tariff filings required by paragraph 2 hereof.

2. Applicant shall, within sixty days after the effective date hereof and on not less than five days' notice to the Commission and to the public, amend its tariff and time schedules to reflect the authority herein granted.

3. Appendix A of Decision No. 55090 is hereby further amended by cancelling Second Revised Page 45 and First Revised Page 51 thereof, and by incorporating therein Fourth Revised Page 3, attached hereto and made a part hereof, in revision of Third Revised Page 3.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 7th day of AUGUST, 1962.
