Decision No. 64061

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of SAN DIEGO TRANSIT)
SYSTEM, a corporation, for author-)
ity to reroute its Route "11" -)
ADAMS AVENUE - LOGAN HEIGHTS line.)

Application No. 44519

O P I N I O N

Applicant requests authority to reroute its Route "11" - Adams Avenue-Logan Heights line between the intersection of 1st Avenue and Ivy Street and the intersection of 2nd Avenue and Beech Street by way of Ivy Street and 2nd Avenue instead of 1st Avenue and Beech Street. This change is made necessary by reason of a change in traffic pattern due to the city having changed 1st Avenue between Market Street and Grape Street to a one way street.

The Commission finds that the proposed route change is in the public interest. The application will be granted. A public hearing is not necessary.

O R D E R

IT IS ORDERED that San Diego Transit System, a corporation, may change its Route "11" - Adams Avenue-Logan Heights line as set forth herein, and Appendix A of Decision No. 55090 is hereby further amended by incorporating therein Fourth Revised Page 29, attached hereto and made a part hereof, in revision of Third Revised Page 29.

Applicant shall, within sixty days after the effective date hereof, and on not less than five days' notice to the Com-

mission and to the public, amend its tariff and time schedules to reflect the authority herein granted.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 17th day of AUGUST, 1962.
