Decision No. 64221

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

LEO BUTCHER,

Complainant,

vs.

Case No. 7312

GENERAL TELEPHONE COMPANY, a
corporation,

Defendant.

Leo Butcher, in propria persona.
A. M. Hart and H. Ralph Snyder, Jr.,
for defendant.

ORDER OF DISMISSAL

By the complaint herein filed on April 6, 1962, Leo Butcher requests an order from the Commission requiring the defendant telephone company to install poles along the rear property line and east tract boundary line of lots 5, 6, and 7, and to furnish him with service through an underground conduit from said poles. On May 3, 1952, the telephone company filed an answer containing general denials, plus an affirmative defense that complainant has refused to provide easements acceptable to the defendant.

A public hearing on the complaint was held on July 30, 1962. The evidence developed at that hearing showed that the complainant was the owner of the house involved at the time the complaint was filed; that he has sold said property and no longer has

an interest therein. Inasmuch as this is an individual complaint and the evidence shows that the complainant no longer has an interest in the property involved,

IT IS HEREBY ORDERED that the complaint be, and the same hereby is, dismissed.

Dated at San Francisco, California, this 11th day of SEPTEMBER, 1962.
