OPINION AND ORDER

Applicant holds radial highway common carrier and city carrier permits. By this application, he seeks an exemption from the provisions of General Order No. 84-C, under which carriers may not handle C.O.D. shipments until a bond of not less than \$2,000 is provided and filed with the Commission. The sought exemption would apply only in connection with shipments transported for the shippers hereinafter designated. Attached to the application is a statement signed by the shippers declaring, in effect, that they do not require the protection of a surety bond from Delbert Perry.

Since the protection of the bonding provisions has been voluntarily waived by the shippers involved in this application, the Commission finds that the sought exemption is justified. A public hearing is not necessary.

Attention is called to the fact that the exemption herein granted extends only to shipments transported for the specified shippers. Should applicant desire to handle C.O.D. shipments for anyone else, all outstanding requirements must be met.

Because the conditions under which the C.O.D. service in question is performed may change, the exemption will be limited to a one-year period.

Good cause appearing,

IT IS ORDERED that Delbert Perry is hereby authorized to handle C.O.D. shipments for Herb Fenolio Pharmacy, O'Connor Center Pharmacy and Smith's Clinic Pharmacy without providing and filing the bond required by General Order No. 84-C; that this authority shall expire one year after the effective date of this order unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the rules and regulations set forth in General Order No. 84-C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective twenty days after the date hereof.

Dated at Los Angeles, California, this 19th day of September, 1962.
