Decision No. _____

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of SUBURBAN WATER SYSTEMS, a California corporation, for authority to engage in interim borrowings.

Application No. 43215
(Petition for Modification)
Filed August 22, 1962

ORDER ON PETITION FOR MODIFICATION

By its order in Decision No. 57782, dated December 30, 1958, as amended by Decision No. 61873, dated April 25, 1961, the Commission restricted Suburban Water Systems from engaging in interim borrowings during any one calendar year in excess of \$750,000.

Upon request of the company, the Commission has again considered this restriction. The staff has made an extensive review of applicant's records and a study of its cash requirements under present conditions. We find that the removal of the restriction will not be adverse to the public interest. Therefore, good cause appearing,

IT IS ORDERED that Ordering Paragraph 2 of the Order in Decision No. 57782, dated December 30, 1958, and

Ordering Paragraph 1 of the Order in Decision No. 61873,
dated April 25, 1961, be, and they hereby are, rescinded.

This order is effective on the date hereof.

Dated at San Francisco, California,
this 11th day of OCTOBER, 1962.
