In the Matter of the Application of  
 ROBERT L. PATCH for a License as a  
 Motor Transportation Broker.

Application No. 44094

SUPPLEMENTAL ORDER

By Decision No. 63225 dated February 6, 1962, in Application No. 44094 Robert L. Patch was granted a license as a Motor Transportation Broker. Mr. Patch has recently filed an application with this Commission to operate as a permitted carrier. He therefore requests that his broker's license be restricted to the transportation of freight moving in interstate commerce.

Therefore, good cause appearing,

IT IS ORDERED that the license issued by Decision No. 63225 is hereby cancelled and in the place and stead thereof a license is hereby granted to Robert L. Patch, to act as a motor transportation broker as defined in Section 4803 of the Public Utilities Code, subject to the conditions hereinbelow set forth:

- (a) That the said licensee shall keep his license certificate as a motor transportation broker posted at his authorized place or places of business in order that it is readily available to public inspection at all times.
- (b) That the said licensee shall do business as a motor transportation broker at 2161 Cherry Avenue, Fresno only, for Ronald L. Renfro Trucking, and for carriers for whom he may hereafter from time to time be permitted to do business by any subsequent Commission order, and all other names which may be included in this order by amendment effected by applicant's stating their names and addresses in one or more letters addressed to this Commission and duly deposited in the United States mail with appropriate stamps affixed thereto, such mailing to be completed prior to the performance of any transportation arranged by applicant.

The Secretary of the Public Utilities Commission shall issue and deliver to Robert L. Patch a license certificate as a motor transportation broker in the form heretofore adopted by the Commission for such license certificate and subject to the conditions hereinabove set forth, provided that the names of the motor carriers applicant is authorized to serve need not be set forth therein but in the space provided in said license certificate for such names there shall be stated the following:

"Licensee is authorized only to negotiate for or hold himself out as one who furnishes or provides transportation in interstate commerce over the public highways as a motor transportation broker on behalf of the motor carriers included in the order of the Public Utilities Commission granting this license or subsequently included by amendment."

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 23rd day of OCTOBER, 1962.
