ORDER VACATING ORDER OF
SUSPENSION OF OPERATIVE RIGHT

Decision No. 64754 dated January 8, 1963, provided for the suspension of the certificate of public convenience and necessity of Mojave Transportation Co., a corporation, unless it shall have filed with this Commission a written response to the order requesting public hearing or shall have filed the proper and lawful freight classification required by Sections 486 and 493 of the Public Utilities Code in which event the effective date of the order would be stayed.

On January 21, 1963, Mojave Transportation Co. filed a written response requesting public hearing thereby staying the effective date of the order. On February 4, 1963, Western Classification Committee, Agent, filed Supplement 2 to its Western Classification 78 reinstating Mojave Transportation Co. as a participant in said classification effective March 20, 1963. Inasmuch as the required classification is now on file, Decision No. 64754, supra, will be vacated.
