 No. 20)

SUPPLEMENTAL OPINION AND ORDER

By Decision No. **65093**, entered today, the Commission increased the C.O.D. charges in Minimum Rate Tariffs Nos. 2 and 4-A, and in eight other minimum rate tariffs. That decision also found that, in order to avoid duplication of tariff distribution, each tariff should be amended by separate order.

IT IS ORDERED that:

1. Minimum Rate Tariff No. 4-A (Appendix "A" of Decision No. 44919, as amended) is further amended by incorporating therein, to become effective May 11, 1963, Third Revised Page 18, which revised page is attached hereto and by this reference made a part hereof.
2. Tariff publications required to be made by common carriers as a result of the order herein may be made effective not earlier than the tenth day after the effective date of this order on not less than ten days' notice to the Commission and to the public and shall be made effective not later than May 11, 1963.
3. Common carriers, in establishing and maintaining the rates authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to

the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the rates published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

4. In all other respects said Decision No. 44919, as amended, shall remain in full force and effect.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 19th day of MARCH, 1963.
