SUPPLEMENTAL OPINION AND ORDER

By Decision No. ~~65093~~ entered today, the Commission increased the C.O.D. charges in Minimum Rate Tariffs Nos. 2 and 13 and in eight other minimum rate tariffs. That decision also found that, in order to avoid duplication of tariff distribution, each tariff should be amended by separate order.

2. Tariff publications required to be made by common carriers as a result of the order herein may be made effective not earlier than the tenth day after the effective date of this order on not less than ten days' notice to the Commission and to the public and shall be made effective not later than May 11, 1963.

3. In all other respects the aforesaid Decision No. 55584, as amended, shall remain in full force and effect.

The effective date of this order shall be twenty days after the date hereof.
