By this application, California Interstate Telephone Company seeks authority to expand the boundaries of its Summit Valley Exchange in unincorporated territory of San Bernardino County in Sections 5, 6, 7 and 8, T2N, R4W, S.B.B.&M. Said sections now comprise a portion of General Telephone Company of California's Crestline Exchange.

General Telephone seeks authority to continue to provide on a deviation basis farmer line service to two subscribers within the proposed expansion of California Interstate's Summit Valley Exchange by means of the facilities owned by Mr. Carl Hewitt from a point of connection with General's facilities in its Crestline Exchange located in Section 17, T2N, R4W, S.B.B.&M., and a two-party-line business service at Miller Canyon Guard Station by means of an extension from Pilot Rock Conservation Camp.
